Department of Computer Engineering

Technocrat Newsletter | Volume 1 | September- 23, Issue-I

Departmental Vision

"To create skilled technician in computer engineering for industry and society."

Departmental Mission

M1 - To develop logical abilities among the students.

M2 - To solve broad based problems of computer engineering.

M3 - To inculcate professional and social ethical values among students.

M4 - To enhance leadership qualities to work in multidisciplinary environment.

HOD Desk

The magazine plays an instrumental role in providing exposure to the students to develop written communication skills. It is a step towards building professional and ethical attitude in them. The entire journey of creating Technocrats is an outcome of rigorous effort made by students and faculty. Here Students gain knowledge about the latest technological developments and also develop verbal and written communication skills.
